# OUR HISTORY

802 Cabinetry, founded in the heart of Vermont, is a distinguished company that brings a touch of global craftsmanship to the Green Mountain State and beyond. We specialize in high-quality cabinets, focusing on exquisite design and durability, all while prioritizing customer satisfaction.

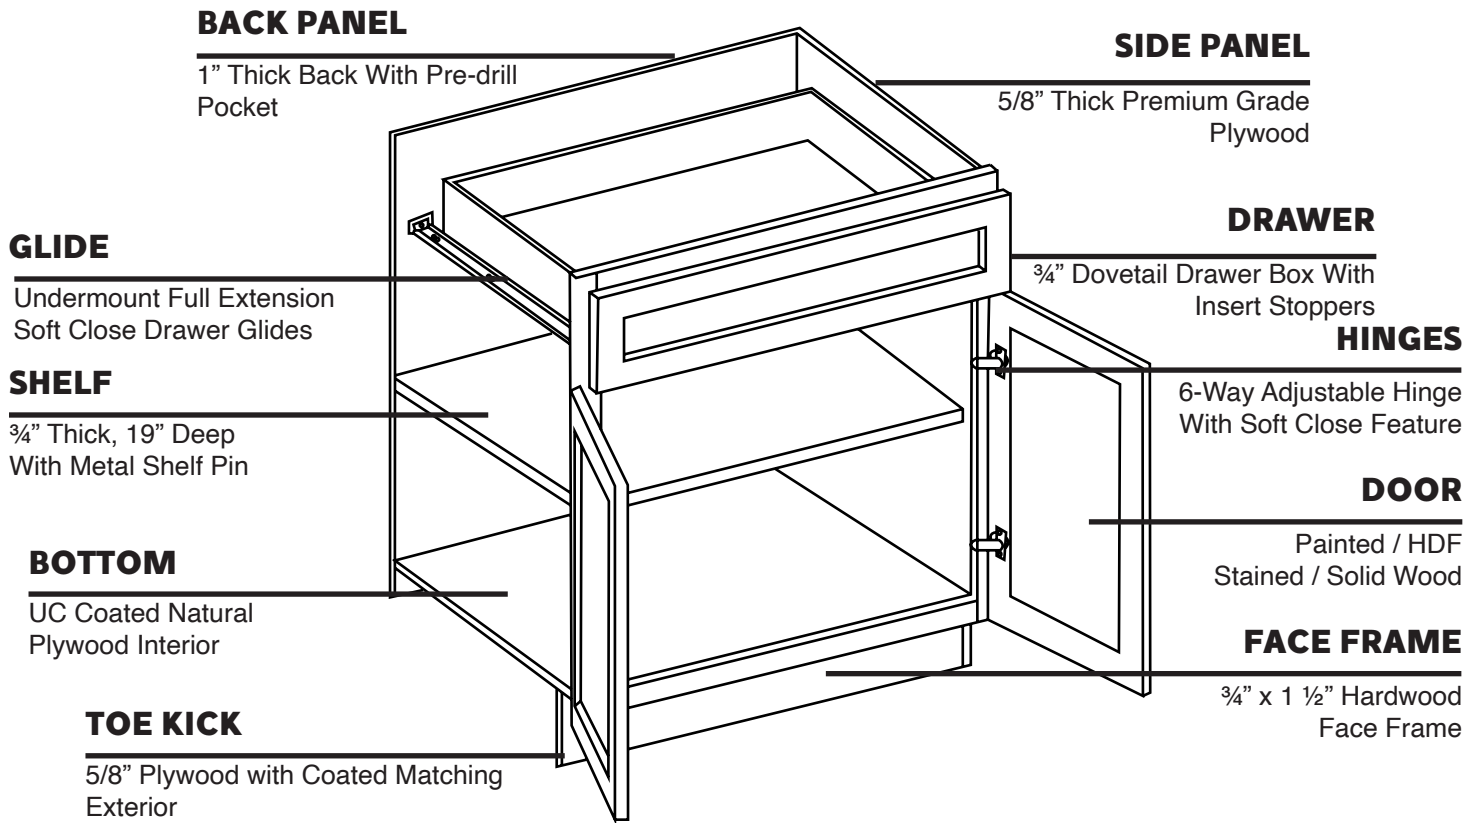

Our journey began with a passion for woodworking and a dedication to providing exceptional cabinetry for homeowners, designers, and architects. We take pride in our ability to source the finest materials worldwide, ensuring that every cabinet meets the highest standards of quality.

Drawing inspiration from the natural beauty of Vermont, we actively engage with local initiatives supporting arts, craftsmanship, and environmental conservation. The narrative of our cabinetry company is intricately woven into the very fabric of Vermont, echoing not only the state's breathtaking landscapes but also the spirit of its residents.
