

### Installing a catalog (.zip extension)

To install a manufacturer catalog, first close Design and then follow the steps below:

- 1 Open Design's Catalog Manager from your desktop icon
- 2 In the Catalog Manager window, click the Install icon
- 3 Click Next
- 4 Click ... and browse to locate your catalog  
If you've saved your manufacturer catalogs to a specific folder on your computer, external hard drive, or network server, browse to that location to find the catalog.
- 5 Select the catalog .zip file and click Open
- 6 Click Next
- 7 Click Start  
The catalog installation will start and the progress is displayed in the dialog above.
- 8 In the success window, click OK
- 9 Repeat to install more catalogs or click Close to exit the Catalog Manager
- 10 Open Design and the newly installed catalog(s) will appear in the Local Browser.

Note: The catalog .zip file is no longer needed. You can delete it if necessary or store it for future installations.

**PROKITCHEN CATALOG**
